TESTIMONIALS

“I had the privilege of playing for the Steelers in 2004/2005, a first class organization focused on developing hockey players making the step to Junior A, Major Junior or NCAA hockey. The Steelers have great coaches that know how to bring out the best in each player and the team. The coaches gave me lots of chances to play in key situations, encouraged me to learn from the more experienced players, and helped me understand the demands of Junior hockey. Their help has played a huge part in my development as a player and made it possible for me to sign with the Burnaby Express (BCHL Jr. A) and receive a scholarship from the University of Wisconsin.”

- Kyle Turris

“I have really enjoyed playing for the Steelers in the 2007/2008 season. The Steelers are a first class organization, from the owners and coaches to the volunteers. The Steelers are committed to developing young players and moving them to the next level. As a rookie, I had the opportunity to play in key situations, and learned a lot from the older players on the team which has really helped me develop as a player and a person. The Steelers is the best place to start your junior career. The PIJHL is a very competitive league where you can stay at home and play great hockey with plenty of exposure to Jr. A and WHL clubs. Playing with the Steelers enabled me to sign with the Victoria Grizzlies of the BCHL. I am proud to be apart of the Steeler family and really enjoyed my time here and winning the league and provincial titles was a bonus.

“Playing for the Grandview Steelers in the 2007/2008 season was by far one of my best hockey experiences, both on and off the ice. The coaching staff is very personable and knows how to bring out the best in every player. They have given me experience in many key situations, and have also taught me how to be a leader. The Steelers hockey organization is run like a family, and I will always feel like a part of it. I would highly recommend the Steelers to any player who wants to start their career in Junior hockey.”

AN INVITATION

Dear Steeler Prospect,

The Grandview Steelers of the Pacific Junior Hockey League are pleased to invite you to our 2022 Evaluation Camp, June 17th, 18th and 19th. In order to build on our tradition and ensure our continued success, the Steelers require players like yourself who have demonstrated a strong personal commitment and the ability to perform in a team environment. Therefore, we are extending you a personal invitation to attend our Steelers Evaluation Camp.

We will evaluate hockey players who have demonstrated the desire and ability to play Junior Hockey in 2022-2023. The Steelers have a strong tradition of excellence; we were Provincial champions in 1994 and 2008. The Steelers offer an excellent opportunity to play competitive hockey while living at home to further your education.

Your registration fee of \$200/\$250 guarantees you a serious evaluation for a playing position and includes a souvenir. Players are responsible for their own equipment, and for insurance purposes all players must wear facial protection (shield or cages) equal to what they used during the 2021-2022 season.

We ask that you complete and return your Player Information Form as soon as possible in order that we may fill the limited openings for the Camp. Even if you decide not to attend our Camp, we would appreciate your returned Player Information Form.

We hope that you would like to be part of the Steelers' tradition and look forward to hearing from you!

Sincerely Yours,
Aldo Bruno, General Manager
